## DATA ANALYST

## EDUCATION

### MASTER OF COMPUTER APPLICATION UNIVERSITY OF MYSORE

2018 - 2021

### BSc IN COMPUTER SCIENCE UNIVERSITY OF MYSORE

2015 - 2018

## SKILLS

- Adaptability
- Team Work
- Time Management Skills
- Interpersonal Skills
- Critical Thinking
- Communication

## PROJECTS

📁 [Github Repository](#)

## CERTIFICATIONS

- DATA ANALYST Certificate in 365 Data Science.
- Python with Web Development Certificate in Pyspider.
- MS EXCEL Certificate in Excel Academy

## LANGUAGE

English

Kannada

## About Me

Results-driven SQL Developer with 1.5 years of experience, I have overview my skills in database management, query optimization, and data analysis. I have developed strong foundation in combined with my technical expertise in SQL and data analytics, allows me to uncover meaningful insights from complex datasets. I am excited to apply my analytical and technical skills to a data-driven role as an entry-level Data Analyst.

## WORK EXPERIENCE

SQL DEVELOPER, 07 / 2023 to 12 / 2024

Raice Tech Soft Pvt Ltd. Hyderabad, India
